As recommended by the Civil Surgeon, the allowance that was being paid to the Veterinary Inspector was discontinued & a Salary on Rs 25 p.m. was sanctioned in Govt. No. L/620-2/Ml 11-43-132 dt. 11-8-44.

The present proposal of the Civil Surgeon is also to have the services of the Veterinary Inspector on an allowance of Rs 25 p.m. This means an additional expenditure of Rs 300 per annum on the funds of the Civil Surgeon.

11/1/45 23/1 It was just six months ago that the proposal of the Civil Surgeon to discontinue the payment of the allowance of Rs 25/p.m. to the Veterinary Inspector for working after the municipal bullocks was approved. Now the Proposal

WD 0726—GPB—20 000—15 9 44

of the M L-el states that the Labourite Cannot disagree the discharge of the Bullocks, & that it is necessary to have the views of the Veterinary Officer for the periodical inspection of the bullocks & that the views of the Veterinary Officer may be secured on payment of an allce of Rs 25/- p.m. In addn to the pay of the Labourer there are some considerations to be there exactly like months ago

In view of this it is for orders of the present proposal which involves an additional expenditure may be sanctioned

They wanted to have a Labourer instead of a permanently employed Veterinary Surgeon. So they want both

I assume as there are a large number of cattle - about 400 - the last post of Vet. Surgeon may be sanctioned

Sir,

I have the honour to state that the Government have sanctioned the appointment of a Salustry on a pay of Rs 25/- p m to look after the Municipal bullocks, in their Order No L 1620-2/11 11-43-132 dated 12th August 1944, and also ordered the discontinuance of the allowance of Rs.25/- which was being paid to the Veterinary Inspector It is however felt that the periodical inspections by the Veterinary Inspector cannot be dispensed with since the Salustry by himself cannot diagnose the diseases or prescribe Therefore, the Health Committee in resolution No 94 dated 14th November, 44 recommended that it is very necessary to continue the services of the Veterinary Inspector, also, to supervise the Municipal Cattle and the dry cattle, and the Council, after considering the subject in their meeting held on 25th November 1944, resolved that the services of the Veterinary Inspector, may be utilised on an allowance of Rs 25/- per mensem, as before

In enclosing herewith a copy of the said resolution No 397 dated 25th November 1944, I request you to be so good as to obtain early sanction of Government thereto The extra cost in this behalf will be met out of the closing balance The present proposal of the Council, is in addition to the appointment of the Salustry referred to above

I have the honour to be,
Sir,
Your most obedient servant,
